Lend a Hand for Flood Victims

On July 27, 2021, the CSR Committee of Dr. VN BRIMS organized an initiative titled "Lend a Hand for Flood Victims." The event aimed to provide support and assistance to communities affected by flooding in the region.

Participants from Dr. VN BRIMS, including students, faculty, and staff, came together to collect essential supplies such as food, water, clothing, and basic hygiene products. Volunteers organized donation drives and collaborated with local relief agencies to distribute these items to flood-affected areas.

The initiative not only addressed immediate humanitarian needs but also fostered a sense of solidarity and compassion within the Dr. VN BRIMS community. Participants demonstrated their commitment to corporate social responsibility by actively contributing to relief efforts and supporting vulnerable populations during times of crisis.

World Bicycle Day Celebration at Dr V N BRIMS

On June 3, 2022, Dr V N BRIMS commemorated World Bicycle Day with an engaging event that saw the participation of seven staff members, including both teaching and non-teaching personnel. This celebration aimed to promote the numerous benefits of cycling and raise awareness about its positive impact on health, the environment, and sustainable transportation.

The seven staff members, representing various departments, arrived with their bicycles, showcasing their enthusiasm for the occasion. The group consisted of professors, administrative staff, and support personnel, all united in their commitment to promoting cycling as a sustainable mode of transport.

Dr. Nitin Joshi , Director of the institute inaugurated the event with a brief speech highlighting the importance of World Bicycle Day and its relevance to the institute's values of sustainability and health consciousness. The director emphasized how cycling aligns with the institute's commitment to reducing its carbon footprint and promoting a healthier lifestyle among its community members.

Following the inauguration, the participants embarked on a symbolic bicycle ride around the campus. This ride not only served as a demonstration of solidarity with the global cycling community but also helped raise awareness among students and other staff members who witnessed the event

The World Bicycle Day celebration at Dr V N BRIMS, although modest in scale with seven participants, made a significant impact on the institute community. It successfully raised awareness about the importance of cycling and its multifaceted benefits. The event also demonstrated the institute's commitment to promoting sustainable practices and healthy lifestyles among its staff and students.
