

Minutes of the Meeting – 9th October 2018

1. There was a discussion about various activities undertaken by the institute like academic, infra structural development, recruitment, IT development, etc. Dr.Nitin Joshi was happy to share the rise in requests from other colleges to faculty at our institute for delivering lecture in their respective colleges.
2. Dr.Smita Jape and Dr. Sukhada Tambe initiated the discussion on Bloom's taxonomy and High Order thinking and stated that both paper setting and correction should be on those lines. There was also discussion that in future faculty from other business schools would be invited as moderators in our institute for checking of internal papers.
3. Dr. Nitin Joshi said that quality placements, quality job roles, quality careers are more pertinent objectives. Prof. Mahesh Bhanusali informed that the placement team had already initiated the process of mock interviews. He also briefed about high percentage placements achieved with our 2018 passouts.
4. Dr. Pallavi Chandwaskar informed that one of our student- Priyanka Poojari's paper has been selected for publishing at PTVA Institute of Management
5. Dr. Smita Jape shared that we have received 8 research papers abstract for our VPM's Srujan multidisciplinary Srujan Journal including papers from Dubai, Chandigarh and Japan. She also briefed about the response from international members for the proposed international conference as we have received 3 confirmations as guest speaker from India and 3 from abroad.
6. Dr. Sukhada Tambe shared the experience of 6th year of organizing blood

donation camp and other student related co-curricular activities.

7. Prof. Mahesh Bhanushali informed about successful transition from ISO 9001: 2008 to ISO 9001:2015.
8. There was a discussion regarding improving the teaching learning effectiveness. In this regard there was a suggestion use of multi-colour markers in the classrooms to keep the brains of the students active. It was also suggested to use more pictures than text in the slides so that the retention level is higher.
9. Mr. Praneet Kadam shared his views on feeling proud to be part of such forward looking institute like ours.
